

Stadswandeling Maastricht

 **Walking route**
→ **6.3 km**

Start- and endpoint

Minister Goeman
Borgesiusplantsoen 27, 6214
SE Maastricht, Netherlands

Level of difficulty

Makkelijk

The Limburg capital Maastricht really needs no further explanation. There is plenty to discover and admire. This walking route is a nice city walk through intimate streets, beautiful parks, past monuments and old buildings and over the city walls. You will certainly not be bored. The route starts at the Cannerplein at the Grand Café De Tramhalte in Maastricht and is approximately 7 km long. You can also get a nice cup of coffee nearby and parking is within walking distance. Please note, the route is not signposted, but you can also download a separate route description under [download](#).
