

# Van Vaals tot Moeresnet

 **Walking route**  
→ **18.3 km**

## Start- and endpoint

Vaalsbroek 5, 6291 NH Vaals,  
Netherlands

## Level of difficulty

Moeilijk

This walking route crosses borders and takes you from the Netherlands, to the Drielandenpunt, to Belgium and back. The route is about 18 kilometers long and you will regularly face a steep climb, for which you will get many beautiful views in return. The Vaalserberg is one of the hills that you will encounter on the route. The labyrinth and one of the two lookout towers are on the route.

There are plenty of catering establishments in the center of Vaals or at the Drielandenpunt.

Please note, this route is not signposted. A separate route description is available under [download](#).
