Start- and endpoint
Oude Bochtzerweg,
Nijswiller

Level of difficulty
Moeilijk

On the Nijswiller Wi11 walking route you explore the phenomenal area east of Nijswiller, all the way to the German border. In this area you have a beautiful view of the vast green hills of South Limburg and of the Mamelis monastery. Once back in Nijswiller, you can drink your cup of coffee on a lovely terrace in this picturesque valley village on the glittering Selzerbeek, where you can also park very well. You follow this route via the red posts.
