Schinveldse bossen

Equestrian trail
6.1 km

Start- and endpoint
Leiffenderhofweg 3, 6451 PR Schinveld

Level of difficulty
Makkelijk

Want to take a short and easy tour through the Schinveldse forests with your horse? Then this is the equestrian route you are looking for. The route passes through the Dutch half of the nature reserve, but also touches the border with Germany in the most northeastern point of South Limburg.

You explore the largest continuous forest area in South Limburg, which is a home for various plants and animals. The forest has many highlights, which you will experience along the way.

The route is indicated with route signs number 28.
