Level of difficulty

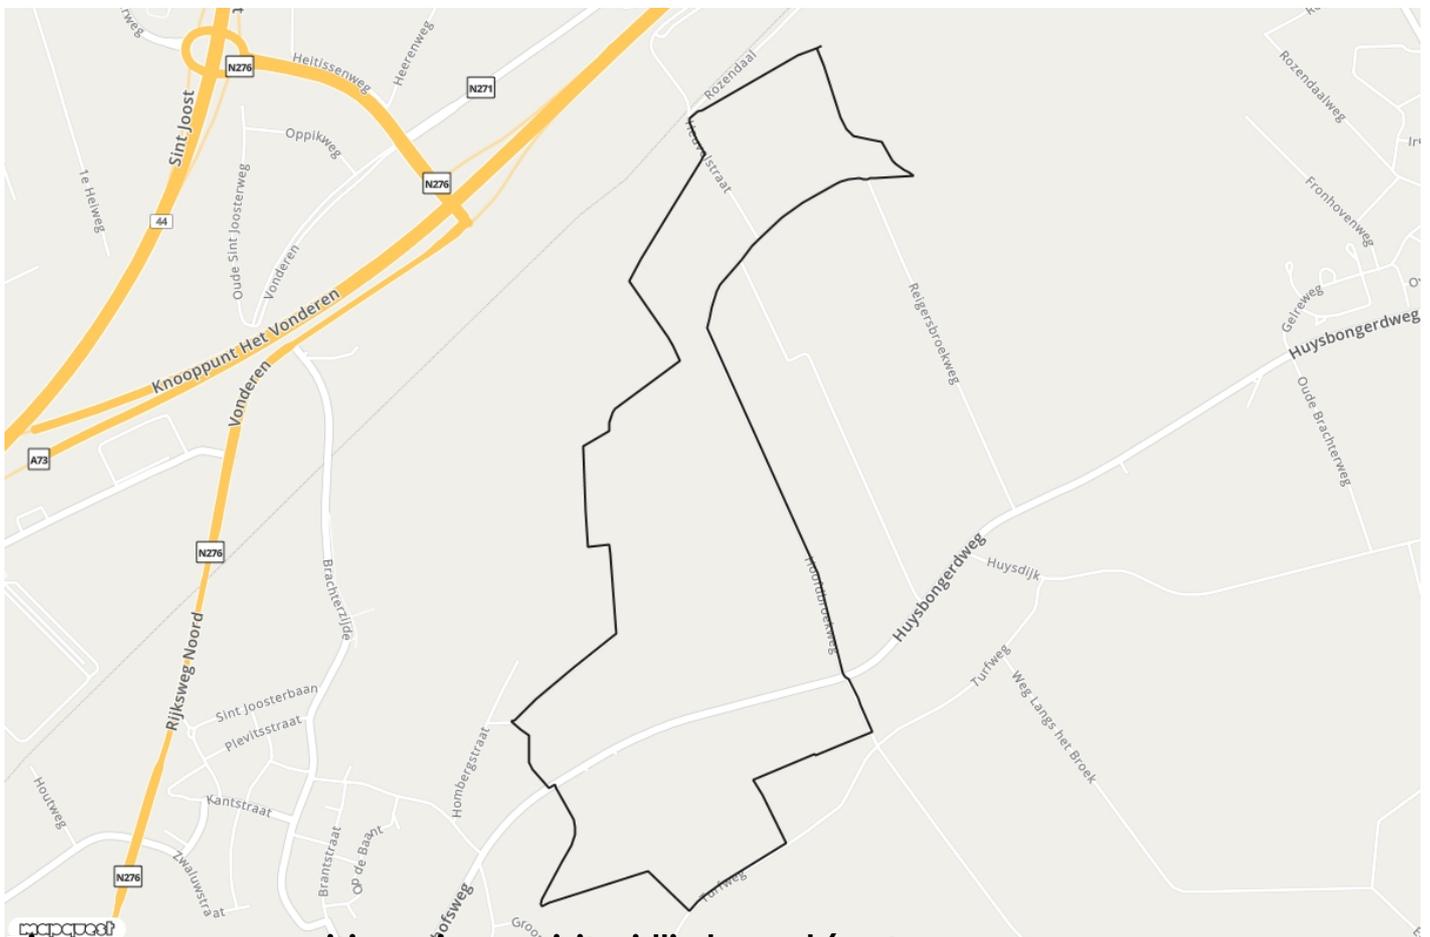

Gemiddeld

Via the Ommetje Sint Joost you will discover the special environment of the church village near Echt. From this village you can walk straight into the nature reserves of Grootbroek and Reigersbroek, where it is teeming with meadow birds and birds of prey.

Sint Joost itself is also worth a visit, if only because you can enjoy a relaxing cup of coffee on a sunny terrace. This walking route is part of the knot loop system and can be followed via the signposting.
