From the cozy Noorbeek via the picturesque Vroelen and on to the historic Belgian town of Sint-Martens-Voeren, you walk via the red posts of walking route Nb4.

It is a perfect route for seasoned hikers who enjoy the distant views from the beautiful South Limburg hills and who are not deterred by a climb more or less.

When you get tired of the spectacular, but steep slopes, you can relax on the terrace of Landal de Waufsberg. You can also easily park here.
