

Eijsden-Margraten Gr4

Walking route

→ 3.6 km

Start- and endpoint

Vroendalsweg 4, 6247 AV
Gronsveld, Netherlands

Level of difficulty

Makkelijk

From Gronsveld you don't have to be on the road endlessly to walk through a beautiful area. Immediately east of this town, the area is already so beautiful that after this short round you will return to your car in Gronsveld completely refreshed and still have time for a cup of coffee at one of the nice cafes. This walking route shows you the Savelsbos with its special slopes, distant views and exuberant planting. You follow him through the green posts.
