

# Schinveld RR04 - Schinveldse Bossen

 **Walking route**  
→ **6.3 km**

## Start- and endpoint

Restaurant De Lier,  
Leiffenderhofweg 3 te  
Schinveld

## Level of difficulty

Gemiddeld

Just outside Schinveld are the beautiful Schinvelderbossen. This vast nature reserve is full of wide fields and shady groups of trees.

Nonke Buusje is surprising: the collection of nostalgic, typical South Limburg half-timbered houses that are authentically furnished as, for example, a syrup distillery, carpentry workshop or clog maker.

The starting point of this interesting walking route is restaurant De Lier, located at the glider airfield. The filling meals of this restaurant are not only delicious, but also organic.

You follow this walking route via the black plastic posts with the green ring binder.
