

Wandelroute Echt-Susteren - Ommetje natuurgebied Marissen

 **Walking route**
→ **5.6 km**

Start- and endpoint
Leenderstraat in Sint Joost

Level of difficulty
Gemiddeld

Welcome to beautiful South Limburg and in particular to the municipality of Echt-Susteren. The Marissen detour is 5.5 kilometers long and there are also options to shorten this. The route shows the variation in landscape of this special sanctuary. Learn more about the relief-rich dune landscape that was designed in the distant past and the wooded banks that have been built by man since the second half of the 18th century. The route is almost entirely accessible for wheelchair users and prams. The route starts in the Leenderstraat in Sint Joost where you can also park. The route can be followed via the hiking junction system.
