

Nijswiller Wi9 Gulpen-Wittem

 **Walking route**
→ **8.2 km**

Start- and endpoint

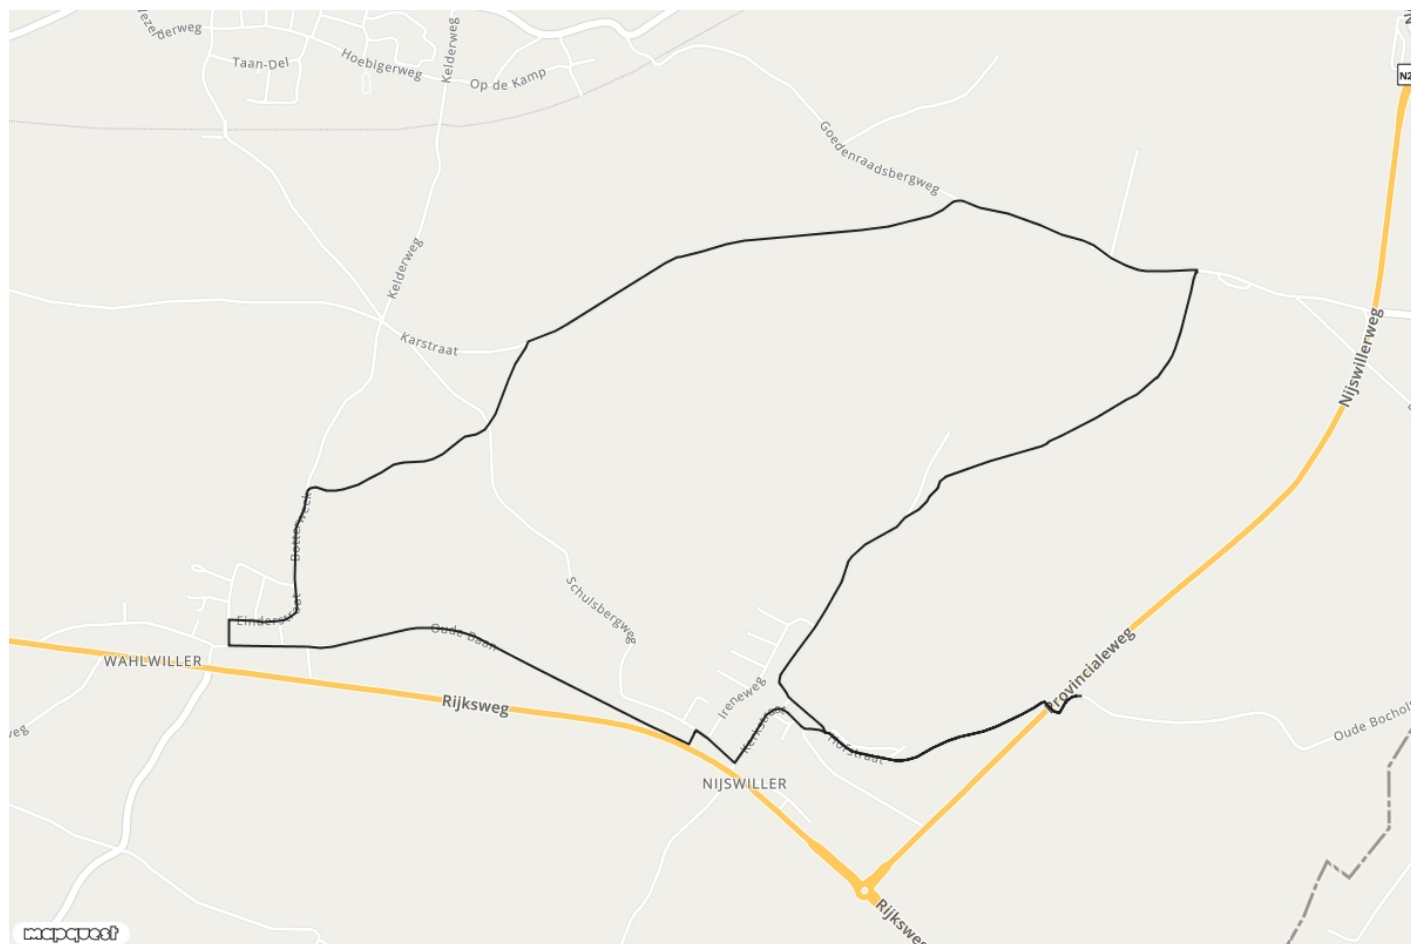

Oude Bocholtzerweg , 6286
Wittem, Netherlands

Level of difficulty

Heel moeilijk

Between the rolling hills, the meandering Selzerbeek flows through a lovely valley. The picturesque villages of Wahlwiller and Nijswiller are located on this stream and in this valley. You can see them both on the Nijswiller Wi9 walking route, and you can also walk up the hill to the equally beautiful town of Baneheide. On the way back to Nijswiller you have a magnificent view over the entire valley. Moreover, on this route you will come across Nijswiller Castle and the Wittemer Vineyard Wahlwiller. Parking is easy in both villages and in both you will find cafes and terraces to enjoy your coffee. You follow this walking route via the black posts.
