MTB-route Echt is perfect for mountain biker beginners, looking to develop their skills. Both the environment and the paths offer a great variety: alternately, you will ride on challenging dirt roads, and on relaxing stretches of asphalt. Once you get closer to civilisation, you also get closer to the cosy, authentic Dutch pubs in this region, where you can recuperate with a tasty local dish. This mountain bike trail starts at the Natuurtransferium Echt (Bellekeweg 1, Echt) and is signposted by a numbered junction network system that covers the whole of Zuid-Limburg.
