The name says it all: the village of Berg is beautifully situated on a hilltop, overlooking the slope to the unspoilt Geuldal. On this walking route from Berg en Terblijt to Vilt and back, keep an eye on the wooded hill and the stream below. You will also see the fairytale castle Geulzicht and the elegant HH Monulphus and Gondulphus Church. Both in Berg and in Vilt you have ample parking options and cozy restaurants for a delicious cup of coffee on the way. The route Around Berg can be followed via the blue posts.
