This walking route is one of four walks specially set out for the 10-year Cittaslow anniversary of the municipality of Vaals in 2021.
The global Cittaslow quality mark is a proof of quality for the way in which municipalities (with fewer than 50,000 inhabitants) deal with their living environment, landscape, regional products, hospitality, environment, infrastructure, cultural history and preservation of identity.
During the Cittaslow walks you will discover why the municipality of Vaals is Cittaslow! The Cittaslow Rond(je) Viele takes you to the green countryside around Vijlen, also known as the 'only mountain village in the Netherlands'.
