Wandelroute Van Epen naar Diependal en de Plaat

Walking route
5.6 km

Start- and endpoint
Wilhelminastraat in Epen

Level of difficulty
Moeilijk

Picturesque Epen, the starting point of this walking route, is known for its many half-timbered houses. From here you walk towards the protected village of De Plaat and the hamlet of Diependal. You will pass Terziet, the Kleine Geul and three mills: the Volmolen, the Epermolen and the Wingbergermolen. On the way, you will also just not cross the border into Belgium. The view over the South Limburg hilly landscape will also amaze you. In the area you will find various catering establishments and sufficient parking facilities. Follow the blue posts for this walking route.
