Maasoever in Berg aan de
Maas (Maasstraat)

Level of difficulty

For a unique walking experience you can go to Urmond, in the beautiful area of the River Park Maasvallei. You start your tour nicely at the Standerdmolen, where you can also park.

The walking route leads you past the Terpkerkje and the Hoal Euver II ferry – get on in the Dutch Berg and continue on the other side in the Belgian Meeswijk.

The light blue posts (the slanted tops of which indicate the walking direction) also take you to the delicious coffee of hotel Knoors.
