Wandelroute Ommetje Ulestraten

Walking route
7.9 km

Start- and endpoint
Kruising Pastoor van Eijsstraat en Pastoor Halmansstraat in Ulestraten

Level of difficulty
Gemiddeld

Lovely views, beautiful vegetation and a quietly babbling brook. That is what you will see and experience during this walking route of about 7 kilometers. It leads you from Ulestraten in a southerly direction to Waterval, where the Watervalderbeek meets all kinds of other sources. The hamlet is located in a valley of this stream, between Ulestraten and Raar. In the protected nature around this village you can enjoy a walk through the ribbon forests. You will also walk the Wijngaardsberg, a hill between Ulestraten and Meerssen. Follow the yellow posts for this route. Parking is available in Ulestraten.
